Welcome to the Family Music Zone®!

Here, you can download or stream your music and find more ways to play along with Music Together at home. If you have a new Family Access Code, click "Access Code" in the menu. After entering your unique code, your new songs will appear below.

Hello
Everybody!

Download the Music Together App

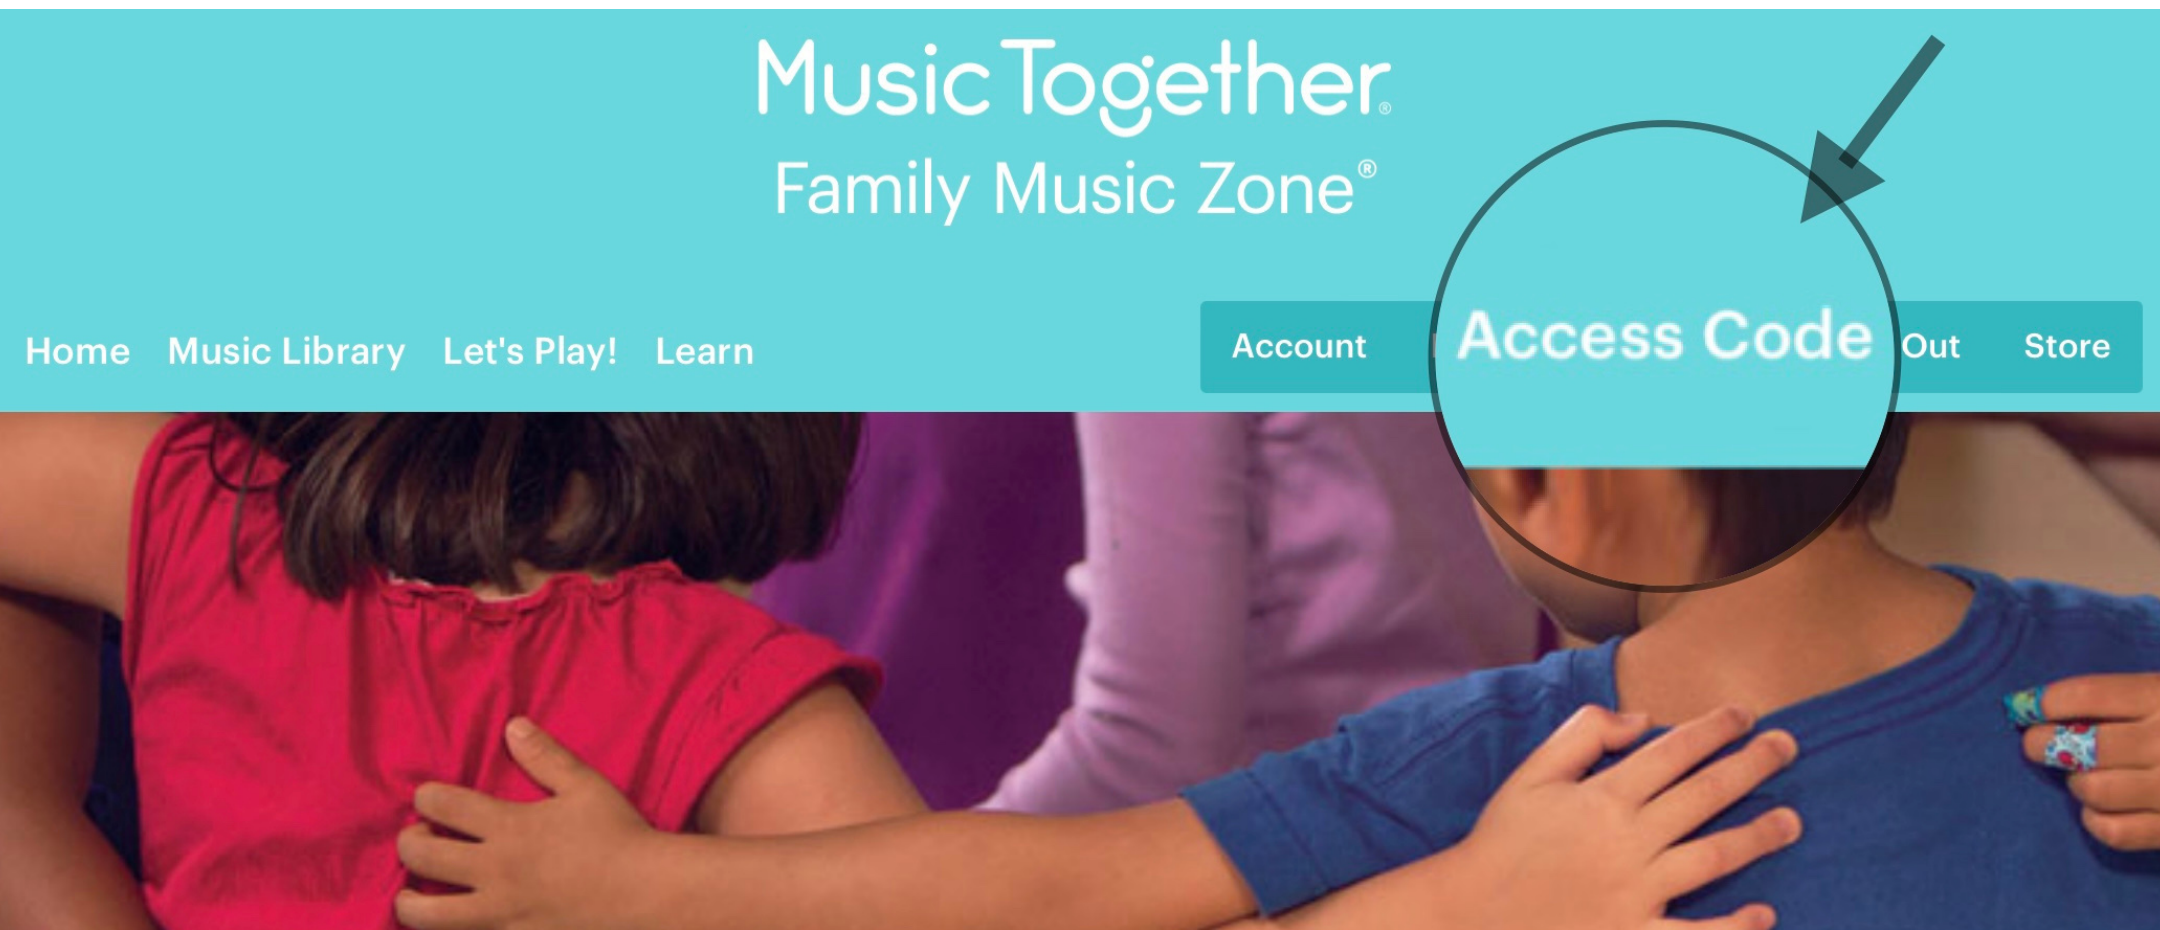

Download the free [Music Together app](#) from the Apple App Store or the Google Play

Store, and log in with the same username and password you use to log in here. With our app, you can listen to your tunes whenever and wherever you'd like, plus create your own playlists, get digital versions of your songbook, and read Singalong Storybooks. Make anytime music time!

Step 2:

Click on the “Access Code” tab and enter your Code from inside the front cover of your Songbook

List of Registered Classes

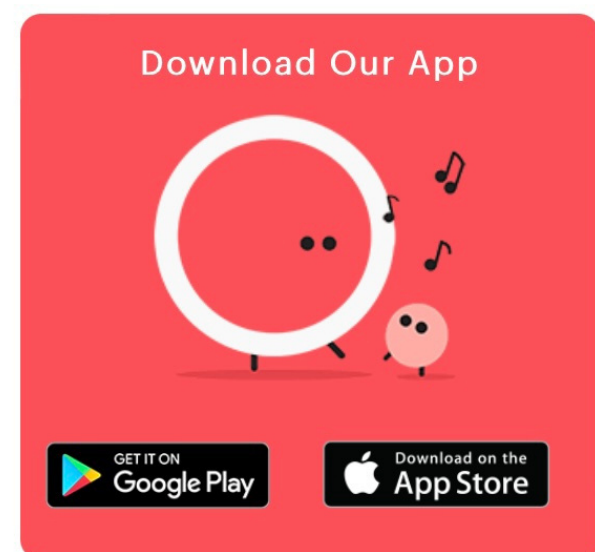

Step 3:

Click on the “Music Library” tab to access your available Music Together Song Collections.

My Music Together Library

In the sortable table below, you will find the songs from each semester of Music Together that your family has enrolled in. Stream or download an individual song—or download an entire collection by clicking on the collection name from a device that supports song downloads. You may also revisit the song activities by clicking the “Activities” button.

Filter Your Library:

Step 4:

Choose the Song Collection you'd like to download and click on the "download" icon next to each song to have it download to your device. For example, this will add these songs directly to your iTunes library so you can stream them from your Apple devices.
